.....

Charter signatories are committed to building climate resilience on the ground in an inclusive way, engaging with local stakeholders, the civil society, the business community, industry, research organisations, and citizens.

The Charter is a clear and highly visible political commitment, but is not legally binding.

.....

EU MISSIONS

As well as the Mission on Adaptation to Climate Change, there are four other EU missions addressing global challenges in the areas of:

Climate-neutral & Smart Cities

Restoring our Ocean & Waters

Healthy Soils

Cancer
